- 37.9 LEFT ON OLD TURNPIKE RD.**
- 38.9 RIGHT ON RT. 122 SOUTH**
- 41.1 RIGHT INTO LONG POND
BOAT RAMP**

Note: This is Pete's original Long Pond - Warren ride. A 48-mile version was developed in 2008 when the Vernon Ave. bridge in Barre was closed. That one turns from Vernon Ave. onto Barre Depot Road, which is a very steep climb, and adds a jaunt to Browning Pond in Spencer, which is also hilly.
